

Consent to Electronic Signatures and Electronic Delivery

Model Program Advisors, LLC (proposed) · a multi-program commodity trading advisor · mpaclient.com
Template for counsel review · October 28, 2026 · Principal: Austin Putt · BRACKETED TEMPLATE — nothing herein is used unless and until the Advisor is registered with the CFTC as a CTA and is a Member of NFA with an NFA-accepted Disclosure Document

1. What you are consenting to

Model Program Advisors, LLC (the "Advisor") delivers its Disclosure Document, Client Agreement, privacy notice, statements, notices, fee invoices, and every other communication to you electronically, through the client doorway in your connected brand's portal and to the email address on your record, and takes your signatures electronically. Under the federal E-SIGN Act and NFA's rules on electronic delivery of disclosure documents, the Advisor may do so only with your prior affirmative consent, which this form records. This consent is given to the Advisor alone; it is separate from any consent you have given your brand.

2. Hardware and software you need

A current browser with JavaScript enabled, a PDF reader, an email account you can access, and the ability to download or print. If the Advisor changes these requirements in a way that creates a material risk you could no longer access records, it will tell you and give you the chance to withdraw consent without charge.

3. Paper copies

You may request a paper copy of any record at any time at no charge by writing to [EMAIL] or [ADDRESS]. Requesting a paper copy does not withdraw this consent.

4. Withdrawing consent

You may withdraw this consent at any time by written notice to [EMAIL]. Withdrawal takes effect when the Advisor receives it. Because the programs are delivered through software, withdrawal of consent to electronic delivery will end your participation in any program; open positions remain yours to manage at your venue.

5. Keeping your contact details current

You must keep a working email address on file. Tell the Advisor promptly of any change at [EMAIL] or through the doorway.

6. Electronic signatures

Typing your full legal name in a signature field, checking a box labeled as an acknowledgment or agreement, or clicking a button labeled "Sign," "Agree," or "Acknowledge" in the doorway is your electronic signature, is as binding as a handwritten signature, and is recorded with the date, time, and network address from which it was given.

7. Record of consent

Date and time: [AUTO] · Client: [NAME] · Brand sign-on: [BRAND] · Member reference: [ID] · Method: typed name and checkbox in the client doorway.

[Counsel: confirm against the E-SIGN Act §101(c) consent requirements, NFA Interpretive Notice on electronic delivery of Disclosure Documents, and Reg. 1.31 record retention; confirm placement as Step 0 of the doorway before any Disclosure Document delivery.]

Template prepared for counsel and the Advisor's principal. Not legal advice. Counsel must complete, conform to current CFTC regulations and NFA rules, and approve before any use.
